

Exhibition Rooms

The purchase of the buildings and project costs were made possible by a grant from the Heritage Lottery Fund. Numerous hours of voluntary work spent on designing the exhibition and putting it together, especially by Stuart Walker and Carol Harker, has enabled this permanent exhibition to finally come to fruition.

We hope you will visit us and enjoy the experience of learning more about Hornsea Pottery and what it meant to the people of the town.

Hornsea Pottery Collectors and Research Society was formed here in 1992, and now has an international membership. Each year they send out four newsletters and hold four meetings up and down the country.
